**l'Agroécologie**

A close-up photograph of a person's hands interacting with a map and a notebook. The person is holding a notebook open, with their right hand resting on the pages. To the left, their left hand holds a small, round, vintage-style compass. The map is spread out on a surface, showing various geographical features and roads. A large, semi-transparent white graphic element, resembling a stylized letter 'K' or a large bracket, is overlaid on the right side of the image. The word 'OBJEKTIF' is written in large, bold, white, sans-serif capital letters across the center of the image, partially overlapping the notebook and the map.
